The Estate of Dick King will be offering a large quantity of quality tools and equipment at auction. Dick was the longtime operator of multiple Sears stores in Albert Lea and Winona, Minnesota, and this sale reflects that legacy. Over 2,000 items will be sold, including Craftsman power tools, wrenches, hand tools, battery chargers, chainsaws, and power lawn equipment. Many of the items are new or unused and still in their original packaging—just like you would have found on the shelves of your hometown Sears store. This auction offers a wide variety of tools and equipment, perfect for collectors, hobbyists, and professionals alike. Be sure to check the full catalog for a complete listing and updates.
